

Children Entertainment and Holiday Camps in Lithuania

Public company VARLINUKAS was established for the quality of school-age children and teenagers education and development, leisure management, environmental and cultural traditions and knowledge enhancement, nurturing, organization of sporting activities, health and safety education.

We focus on children leisure time, having a goal to create good conditions for development, promotion of curiosity and excitement, provoke for search of knowledge and various useful applications in kids life.

Children entertainment organization - our main projects for the current period. We are confident that the youngest residents of our planet will evaluate the scope of devotion and assistance in their development, education and overall development of the World. **As professional children camp and event organisers, we can provide our services in organisation of various children events – everything what is on your demand! Meanwhile, we offer the following:**

Fantasy and games camp „Galaxy of Games“

Sports, adventure and recreation camp, „We are the Power!“

Thematic camp „Dragon Ball: Followers of Son Goku“

Thematic camp „Winners of the World!“

Summer is approaching and we question children, how they are going to spend their long awaited summer holidays? They respond: adventure, fun, camping, games, swimming, discos, thematic parties, in comfortable surroundings ... in Lithuania. Thus, after discovering their needs, we invite children to different summer camps, organised in a beautiful pine forest surrounded by a composition of picturesque hills, lakes and river.

1 or 2 week-long camps for children and teenagers of 7-16 years. Fun, reproducing the life of various characters, trip to distant continents, extending knowledge of Russian and English languages, sports games and other entertainment, new friends, fun and adventure, passionate beach games, evening shows and discos are to accompany participants throughout all the camp duration. Children will compete in various competitions, learn languages, have fun evening programs, perform various characters, rehearse dances, make clothing and accessories, flags and signs, study maps, search for treasures, get acquainted with customs of the main characters. They will strive to become children of nature, they will seek to understand the emerging ideas of their own characters, their ingenuity and originality, and try to live in pure merger with the real living nature.
